

Case Study: La Lumiere

Who are they?
La Lumiere

What do they do?
Support those with vision handicaps

What did they receive?
Microsoft and Cisco Products

Organisation URL:
www.lalumiere.be

La Lumiere supports more than 1500 people with a vision handicap. Their programs include personal support, diagnostics, libraries, special education and insertion programs and sheltered employment.

Through TechSoup Global Partner SocialWare, they received donated Microsoft and Cisco products, including Windows XP, and Cisco 24-Port Ethernet Switch.

La Lumiere states that the donations led to "Improvement of the back office efficiency."
